SYPL 13/14 Girls	Under 13/14 Girls		
SYPL 15/16 Girls	Under 15/16 Girls		
SYPL 18 Girls			

Key Changes 2025

- Alignment of naming conventions for Northern & Southern Boys competition from “Northern Championship” to “Northern Youth Premier League”
- Alignment of age groups for Northern & Southern Boys Competitions, with SYPL reverting to SYPL 16s & SYPL 18s (from 15s&17s)
- Introduction of a Southern Youth Tier 2 Under 15/16 Girls competition – with the growth in numbers in the 13/14 space in 2024, we are hopeful this will provide clear opportunities for all girls, regardless of whether they want to play socially or looking to progress in a performance pathway.

Key things to note

- A minimum of 4 teams is required for a competition to go ahead – in the event there is not interest from 4 teams, we will communicate with those nominations to find the next most appropriate competition for your team.
- Clubs may enter more than 1 team in any league – however, any additional teams entered will be required to follow the team stacking rules with the number of players who can be shared from one team to another during the same weekend.
- As part of the nomination process, you will be required to confirm your teams Preferred (Home) and Alternate (Away) Kit Colours, including for your goalkeepers. It is vital this information is provided at the time of nomination, to assist Football Tasmania creating a clear document to share with all, for assistance in eliminating kit clashes during the 2025 season.
